

## MDDE690: Investigating MOOCs: Purpose, Process, and Pedagogy

Course Runs Winter 2018

This is an independent study opportunity for M.Ed. program and non-program students to participate in and research the AU-CDE MOOC *Learning to Learn Online*. Students in this version of MDDE690 will create, in consultation with the instructors, a 3-credit course with learning objectives based on the topic of MOOCs. This independent study course experience will commence in January 2018 and includes participation in *Learning to Learn Online (LTLO)* which runs on the Canvas platform

from February 12<sup>th</sup> to March 18<sup>th</sup>, 2018. The MOOC design for LTLO is called an iMOOC – inquiry-based learning and engagement. You will have the opportunity to identify your own topics, activities, and assignments that will result in knowledge development about MOOCs and their purpose, process, and pedagogy. Timelines for completion of assignments are negotiable.
